Chair of Committee Cheryl Powell opened the meeting up at 5:30pm. Chair of Committee did a Roll Call of members present. (See above) the meeting began with a confirmation of quorum and instructions for remote participation and mentioned she had technical difficulties with downloading the agenda and printing. The Chair of the Committee while waiting for the meeting to start and quorum of members, there was a technical issue with a Transformer across the street from the Chairs residence, that enabled her to continue the meeting as scheduled, a power outage, and a snowstorm in the Marston's Mills area. The participants discussed the need for a quorum and safety concerns but were unable to proceed. The meeting was eventually postponed due to personal issues affecting one of the participants.
